Dr. Mira Farka
Economics Professor
California State University, Fullerton

Featured Speaker - Dr. Mira Farka

Mira Farka is a Professor of Economics and Co-Director for the Woods Center for Economic Analysis and Forecasting at CSUF. She has published in leading academic journals in the fields of monetary policy and financial economics and is a nationally recognized economist in business and economic forecasting. She is widely known for developing and presenting the CSUF Economic Forecasts for the Nation, Southern California and Orange County. Dr. Farka is the recipient of multiple awards for her academic research, teaching and the accuracy of her forecasts. She is a sought-after keynote speaker and is frequently invited to discuss economic and financial issues by various business, government, and educational organizations. Prior to joining Cal State Fullerton, she worked as a senior economist for Deutsche Bank. She was listed as one of OC's 500 most influential people in 2022 and 2023.
